REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

North Hartsville Elementary School continues to live up to its self-proclaimed status as "The Best School in the Universe." Last year's Annual School Report Card from the State of South Carolina gave us an absolute rating of "good" and an improvement rating of "good." We also received the coveted Red Carpet School award from the state during 2002-2003. This three-year designation recognizes the welcoming atmosphere at our school and our dedication to partnering with parents and the community to improve our school.

There are 54 certified teachers at North Hartsville and 30 of those hold master's degrees or higher. We continue to work on state standards as we refine our curriculum to better address the needs of our students. The new reading fluency program is an example of this. Offering an extended school day program to students scoring below basic on PACT is another. Accelerated Reader remains popular with all students. Chess Club, Beta Club, Eagle Eye Patrol, Student Government, service projects, and other activities enrich the learning experience in vital ways.

The very real sense of community at North Hartsville is evidenced by the pride that staff and students take in their school. It is also reflected in strong support from the parents through PTO, School Improvement Council, an active volunteer program, and good attendance at family functions. Collaborative partnerships with the Hartsville Family YMCA, Progress Energy, Segars Realty, Sonic, Bojangles, McDonalds, WalMart, and Applebee's also strengthen our school environment. The Butterfly Garden is a premier example of what can be achieved when staff, students, parents, and the community all work together.

With an average enrollment of 910 students, the size of the student body continues to pose problems with space and scheduling. School-wide assemblies are not possible and family events at the school are hampered by limited facilities and parking. However, "The Best School in the Universe" views these as challenges that can be addressed and resolved. North Hartsville Elementary has a rich history and looks forward to many more successes as we continue to "grow and soar toward excellence"
